RE: San Jacinto River Waste Pits Needs To Be Remediated Now!

Dear Mr. Miller,

I support the permanent armored enclosure on the San Jacinto River Waste Pits, and I urge you and your colleagues to do the same. There have been far too many delays that risk our health in East Harris County. Many scientists, including the Army Corps of Engineers, support this permanent and rapid measure, and so do I. Thank you for your time and the opportunity to submit my public comment.

Sincerely,
